From Brand: North Light Books : Collage Crafts Gone Wild: Mixed-Media Projects and Techniques before purchasing it in order to gauge whether or not it would be worth my time, and all praised Collage Crafts Gone Wild: Mixed-Media Projects and Techniques:

1 of 1 people found the following review helpful. A good book if you are into making collage crafts. By Joseph J. Truncale This is usually not the kind of book you will find me reading; however, since my wife is into this kind of creative activity I decided to read this volume (Collage Crafts Gone Wild: Mixed-media projects and techniques featuring projects from Kelly Rae Roberts, Traci Bautista, Josie Cirincione and more) and learn something about collage crafts. This 128 page soft cover book is organized into four chapters. Before I review the chapters I was a little intrigued by page 3 which had the tools and material you'll want for the projects and techniques in this book. It was a huge list of items including optional things, paper (kinds of), fabric, tools, drawing and writing utensils and

miscellaneous items you may need for your collage projects. Chapter one covers paper collage projects. Chapter two explains mixed media collage projects such as canvas art, create what you seek, a single memento, quotable and what the layers reveal. Fabric collage projects are the focus in chapter three. The final chapter explains some advanced and unique collage projects. If you are into the collage genre this is a book you should check out. It is filled with interesting and practical ideas for making collages. Rating: 4 Stars. Joseph J. Truncale (Author: Haiku Moments: How to read, write and enjoy haiku). 0 of 0 people found the following review helpful. Fun By Darlene Hagopian I really enjoy this book 1 of 1 people found the following review helpful. Projects Galore By Rosita A. Artis This is not only for the beginner artist's but the more mature artist's as well. Lots of idea's and projects for us to do! Or do your own projects with your own flair or imagination!

Collage projects beyond your wildest dreams! Express your unique self in wonderful and fascinating ways--with Collage Crafts Gone Wild, you will take your art to a whole new level, experimenting with new techniques and combining materials and objects in more ways than you can imagine! With Collage Crafts Gone Wild: You'll discover 24 fierce step-by-step projects from 13 of your favorite North Light authors, including Kelly Rae Roberts, Traci Bautista and Josie Cirincione.
