0 of 0 people found the following review helpful. Great bookBy Pedro G. Rodriguezeasy to understand with great information for anyone who want to start an indoor garden or don't have space to start one.7 of 13 people found the following review helpful. Not much informationBy Rob H.I have purchased other titles in this series and been generally pleased. This one is very light on good info.2 of 2 people found the following review helpful. worthlessBy sheamus27I like storey guides but this one isn't worth the paper its printed on. ANY article ever written on container gardening is more useful. The information is vague and obvious.
