This is what I was looking for !!By Orion-MamaI am a knitter and had so much left-over yarns.... and wondering what to do with them.One of my friend gave a 'hint' saying maybe you can use the yarns for sticking.... I was also a cross-stitch / other crazies, but, using wool was another world.Fortunately, I met Portugeuse stitches, and then tapestries... etc. etc. there are much more larger world in yarns !!Now I am stuck with Swedish Tvistrsom stitches, not many books on them but whenever I find (a second hand book) on Swedish crafts I get them !! Some may never have what I am seeking but this book had many hints for me, and I am working on what I have been working...Well, it is up to you, what you can create !
