**From Brand: Cicada Books : Craftydermy** before purchasing it in order to gage whether or not it would be worth my time, and all praised Craftydermy:

0 of 0 people found the following review helpful. kitschy decor ideasBy teri\_toadcute ideas, but most items are impractical and look like they were made by a kid (unprofessional). I really only wanted the fox stole pattern, but I unfortunately had to buy the whole book to get it.

It seems like every trendy bar or boutique you walk into these days has the head of some animal gazing down from on high. For those of us who balk at hanging a decapitated mammal upon our walls, Craftydermy provides an alternative.

20 clearly explained step-by-step craft projects allow you to achieve the spirit of taxidermy without the morbid overtones.

About the Author Tracey Benton runs a gallery in the South of England promoting craft/art crossover talent. She has worked with prolific artists and curated exhibitions and catalogs that have received broad national exposure.
