I just love all of the photos and artisans that are featured. Just fantastic! My new favorite out of my collection/library. Aloha!0 of 0 people found the following review helpful. Four StarsBy PaulaThis book will get your creative juices flowing. Lots of ideas for you.0 of 0 people found the following review helpful. inspirationalBy Louise CorkeThis is a great book. Excellent images to inspire you to create with mosaics. Good instructions. Could be more information provided for some of the illustrated projects. Overall very inspirational.

Mosaic is an ancient and versatile craft that can be used to transform almost any plain surface into a unique piece of art. Crazy Mosaic transforms this ancient art into today's fun by using everything from broken china to found objects

to make crazy, cool, contemporary mosaics. Illustrated throughout with full-color photographs and easy step-by-step instructions. Contains plans for 20 different projects.
