The remaining pages were not useful to me because they were for making cards or other items using certain Cricut cartridges. I have several cartridges but almost none that were mentioned in the remaining approximately 145 pages. This book was supposed to be a guide for beginning and advanced Cricut Expressions crafters. We should have been told what cartridges were needed for the projects in most of the book. So therefore I paid for a book which had good information for me on only about 60 plus pages plus a few pages of glossary in the back. There are now so many Cricut cartridges that I do not see how many

people would have those needed for use in making projects in this book.0 of 0 people found the following review helpful. I still don't understand ...By CarrieI got this to see if I really wanted a Cricut. I still don't know, because I still don't really have a sense of what they do and what they are capable of. Maybe if you have a similar machine or a new Cricut, this would work, but not for my purpose.0 of 0 people found the following review helpful. Wonderful bookBy CustomerI thought I was over my head when I bought the cricut. But with this book I was using my cricut in minutes and feel very confident now. Thanks so much

A comprehensive guide for beginners and advanced Cricut users. In a clear and accessible way, Cathie Rigby teaches the basics of the Cricut Expression machines (both the original and the new Cricut Expression 2) and cutting for beginners. For advanced crafters, this book instructs on features such as modes and functions, and teaches how to create with color, texture, and dimension. A cutting guide teaches the perfect settings to cut every type of material. A separate chapter introduces the new features of Cricut Expression 2 and explains how it differs from the original Expression machine. More than 50 creative projects inspire ideas for home dcor, gifts, parties, cards, and scrapbook layouts. Cathie Rigby has taught Cricut, Design Studio and Gypsy classes for four years in the Salt Lake City area. She currently teaches at Roberts Arts Crafts and Hobby Lobby stores and hosts scrapbook retreats and Cricut Cruises.
