Nancie M. Wiseman : Crochet with Wire before purchasing it in order to gage whether or not it would be worth my time, and all praised Crochet with Wire:

40 of 41 people found the following review helpful. Very cool projects that you really want to make!By Roseanne M.This is such a neat little book. It measures 6x7", so it can easily go with you in your crochet bag. The photos are fantastic, and the designs are very wearable. I want to make nearly every one of them.It covers basic how-to techniques, as well as what tools you will need and specific crochet techniques with wire and beads.The projects are:Bracelets (2)Necklaces (3)Sets (10)Purse (1)Baskets (3)Box (1)Instructions/patterns are very clear, and some include schematics. It is a great little crochet jewelry book!0 of 0 people found the following review helpful. Great ideas for beautiful jewelryBy Wendy K. WebsterGreat ideas for beautiful jewelry. Some of the instructions could be improved upon, however. I bought the book after reading a library copy so I knew what I was getting and purchased it anyway.1 of 1 people found the following review helpful. Not what I expectedBy Derb SpringerDon't know exactly what I thought the content was going to be, but didn't find it here. Disappointed, too. The it's not a 'full' size book.

Haven't tried any projects yet, so my opinion may change. Going to give it a chance.

Crocheting takes on a new dimension in this fun and creative collection of 30 stunning yet easy-to-make necklaces, earrings, and bracelets--all made using wire. Those new to crochet will get all the basics of crocheting, including finishing off, adding new wire, and planning projects--with plenty of illustrations throughout for guidance. There is also a discussion of which crochet hooks to use, and how to choose the right wire gauge to suit any project. Most of the projects are simple, requiring single crochet, half-double crochet, and double crochet in the same basic patterns used in yarn crochet. Beaders will delight over a new way to play with beads, and seasoned crocheters will relish this fresh, innovative approach to a time-honored, favorite technique.

"Nancie takes the craft to a new dimension with wire, beads, and cool design for jewelry, baskets, and more." - Better Homes Gardens Simply Creative Crochet
"Combine crocheted wire and beads to make artfully squiggly jewelry." - Seattle Post-Intelligencer
