Murray Really love the size of this Quick Tips by the Visual people. Being a newer knitter, I often find that I need some answers or definitions that this book gives me that is so handy to take along with me and my knitting. Perfect size just for that reason alone. I own several books by these people for different things in both the full version and the Quick Tips versions and I've been very happy with every one that I own. Good

pictures and descriptions as well as a good index in the back for quickly looking things up. 0 of 0 people found the following review helpful. Great job! By pasofinopatty I did it! After years of crocheting, I taught myself to knit with this book. The pictures were sequential and the writing/ teaching style intuitive. Great job! 0 of 0 people found the following review helpful. A Great Resource for Knitters By CJW The size makes it so handy to take along with knitting projects. Easy to look up answers specific knitting questions.
