Tracy Chapman : Knitting with Ribbon Yarn: 28 Beautiful Projects Using Vibrant Luxury Yarn before purchasing it in order to gage whether or not it would be worth my time, and all praised Knitting with Ribbon Yarn: 28 Beautiful Projects Using Vibrant Luxury Yarn:

2 of 2 people found the following review helpful. Ribbon Yarn Knitting BookBy Judy in the SkyThe Book is perfect, the only draw back is, that it is several years old, and most of the yarns these designs require are not available any more. It is hard to find the perfect replacement.3 of 4 people found the following review helpful. fun with ribbonBy bettydI love this book. I plan to make many of the patterns, either with theribbon recommended or with substitutes. Lots of advice on how touse ribbon--I have used it aready. Knitting that I felt might bedifficult or knotty was not with the tips and hints inside.0 of 0 people found the following review helpful. Five StarsBy Kindle Customergreat ideas

Make head-turning garments and accessories using gorgeous ribbon yarn. This stylish guide features 20 step-by-step projects, from sweaters and camisoles to bags and belts.

From Booklist The upsurge in knitting as a pastime has been accompanied by a great range of yarns, equipment, and patterns. Here, British designer Chapman selects a relatively new kind of yarn--ribbon--to showcase her talents and the possibilities. Although many experienced stitchers might grumble that the 28-item collection features simple classic styles, it's the care and detail of instructions that differentiate this from all other pattern books. Who else, for instance, stresses not only the importance of knitting to gauge but also pictorially shows the differences between too-loose, too-tight, and just-right gauge--and the remedies? Or inserts, in the appropriate pattern, instructions for fashioning the a-bit-unusual, such as how to change yarns, knit bobbles, and loop stitches, among others? Color photographs are plentiful; step-by-step details, more than sufficient. An almost-sure "best-borrowed" book. Barbara Jacobs Copyright American Library Association. All rights reserved its the care and detail of instructions that differentiate ths from all other pattern books. An almostsure bestborrowed book. -- Booklist About the Author Tracy Chapman holds regular workshops for Rowan Yarn, for whom she also works as a design consultant.
