This comprehensive study of womens and mens fashion accessories provides fashion merchandising students with a detailed analysis of the fashion accessory categories. Broken into three units, the text not only covers the major categories but provides an overview of the accessories business and discusses the materials used in the production of a variety of accessories.

About the Author Celia Stall-Meadows is assistant professor of Fashion Marketing in the Department of Family and Consumer Sciences at Northeastern State University in Tahlequah, Oklahoma. Her professional memberships include the International Textile and Apparel Association and the American Association of Family and Consumer Sciences.
