**Amy Barickman : Land That I Love: Customize embroider projects for your state** before purchasing it in order to gage whether or not it would be worth my time, and all praised Land That I Love: Customize embroider projects for your state:

1 of 1 people found the following review helpful. Well Done.By RobbieLeeGreat Book, a design for each state. Easy to copy and trace for hand embroidery.0 of 0 people found the following review helpful. Five StarsBy Diana GThank you0 of 0 people found the following review helpful. ... I have lived in and Amy's book is the perfect way. It is full of ideasBy CarolI have wanted to highlight the states I have lived in and Amy's book is the perfect way. It is full of ideas. It arrived on time. The book is the answer to my needs.

In this embroidery design book, youll discover that home is where your heart is --or where your state pride resides! Now you can accent your home with modern yet classic stitchery. Each state is represented with line art and

instructions home to trace and transfer artwork right from the pages of this book. Create your own personalized designs to embroider for your home or gift-giving. Perfect companion product for your row by row display! 120 pages with full color cover back. For each of the 50 states you'll find line art that includes: -The shape of the state in 2 styles and sizes -The state name with font choices (and the states slogan) -State flowers, birds and major cities - University college pennants -Iconic motifs that distinguish each states culture
