PerfectBy Customernice book with lots of puzzles and verses I bought it for our youth group at church I copied a couple of puzzles on card stock and laminated them back to back that way they could do two puzzles and the best thing is you can use dry erase pens and use them over and over which is wonderful and budget friendly

Without doubt, it has been said that a word search should be challenging because it's robustly made and the letters should be large to eliminate any challenge arising if the letter is too small!
