"This book... is a visual feast, giving you inspiration on every page without reading a word. But that is the tip of the iceberg - the content of the text is full to bursting point with ideas and possibilities... Whether you own a computerised machine or not, this book will give you more ideas than you can possibly hope to work through in a decade.' The World of Embroidery, Nov 2001."About the AuthorValerie Campbell-Harding is a highly experienced teacher of machine embroidery, exhibits her work and is a member of the Embroiderer's Guild. She is the author of over 20 books on embroidery.
