Brian. Hollingsworth : 'LBSC' HIS LIFE AND LOCOMOTIVES before purchasing it in order to gage whether or not it would be worth my time, and all praised 'LBSC' HIS LIFE AND LOCOMOTIVES:

0 of 0 people found the following review helpful. The true insight into a very remarkable model engineer.By Michael MidgleyI am in awe of this person known as LBSC and this book exceeded all my expectations.....Most people only build maybe two model locomotives in a life time,LBSC built 55 locomotives and designed 112.....This book describes the very full life of a man born in the 19th century and how he influenced the advancement of model locomotives with his modest workshop facilities and inventive mind.
