Judi Maddigan : Learn Bearmaking before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn Bearmaking:

1 of 1 people found the following review helpful. LEARN BEAR MAKING BOOKBy clareTHIS BOOK HAS INTRODUCED ME TO THE WONDERFUL WORLD OF MAKING TEDDY BEARS. STEP BY STEP INSTRUCTIONS WITH PICTURES MADE THE PROCESS SIMPLE TO FOLLOW. THE AUTHOR ENCOURAGES AND GUIDES YOU ALONG THE WAY. I WOULD RECOMMEND THIS BOOK TO ANYONE INTERESTED IN THIS ENJOYABLE CRAFT.6 of 6 people found the following review helpful. This book will help you bring your own bear to life.By A CustomerLearn Bearmaking walks every aspiring bearmaker through a clear step-by-step process of bringing their own creation to life. Judi Maddigan did an outstanding job making sure all her bases were covered. The reader will discover not only pattern pieces and sewing directions, but also numerous tips and pictures, illustrating how to make their bear turn out well. I highly recomend this book. If you can use scissors and a sewing machine, Judi's book will successfully teach you how to make your own bear. I believe you will find that bearmaking is a lot like parenting. You can put everything you know (or don't know) into this little critter (including your heart) and still come up with something entirely unexpected.2 of 2 people found the following review helpful. detailed instructionsBy NazaniThis book is better than most craft books because of the detail the author goes into. There are full size patterns for jointed and non jointed bears, bear puppets,and accessories like a quilt, pillow, and knit outfit.

Full patterns and step-by-step guides allow anyone to produce a variety of toy bears which will delight young and old alike. Includes an 8-page color insert and 250 helpful illustrations.
