coats clark : Learn How Book (Coats Clark's book number 170-c) before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn How Book (Coats Clark's book number 170-c):

0 of 0 people found the following review helpful. This is the BEST reference book you can haveBy P. O'haraThis is the BEST reference book you can have. I dabble in crocheting, knitting and forget how to do certain stitches, so when I start a project, I get out this book and it helps me interpret the pattern's directions and stitches. I have also given this book as a gift to a lot of teens, as well as others, trying to learn.3 of 3 people found the following review helpful. Learn How BookBy DebiThe best learn how to knit book ever , my mom got me this book when I was 7 and I learned how to knit . Very easy . Put out by Coats Clark .0 of 0 people found the following review helpful. ... held onto this book for years - absolutely the best.By AnnieHave held onto this book for years - absolutely the best.

This book for beginners contains easy to understand diagrams and step by step instructions for four of today's most popular handcrafts - chrochet, knitting, tating and embroidery.
