Leisure Arts, Leisure Arts s Leisure Arts : Learn to Knook (Leisure Arts #5776) before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn to Knook (Leisure Arts #5776):

1 of 1 people found the following review helpful. Buy paper copyBy Grandma VicNot Kindle friendly--cannot find my way through instructions on the e-book--such as "see page 15". Since there are no page numbers you do not know where to go to find the reference. I had a feeling this might be the case--note to self, never buy "how to" books electronically.I pre-ordered a paper book on regarding this technique--wish it were out now.1 of 1 people found the following review helpful. The Book of KnookageBy Myra Mc ClainGood large print and illustrations. Good for young and older young :-D. Makes a great training tool, easy to understand and a quick reference if you don't want to turn away from your working instructions sine most other knook books have tinstructions included.Down side maybe that you may have to give the book away or it may get stored away once you learn to knook. But still good for refreshing

when you run across a stitch pattern you haven't used in awhile.4 of 4 people found the following review helpful.
Learn to KnookBy CustomerI love the book and can't wait to start on a project. However, I realized that the crochet hooks did not come with the book, so I went on a search on purchasing them. I found some on the internet, they don't even have them in our craft stores yet. Thank you so much for your good service!!!

Knooking is the new knitting! The Knook is a specialized crochet hook that creates true knitted fabric, while the attached cord completely prevents dropped stitches! This thorough guidebook has everything you need to know about using the Knook, plus great projects to get you started. You'll enjoy learning the basic technique from our step-by-step photos and clear instructions, which are written for both right-hand and left-hand stitching. Next, you'll learn how to do decreases and increases, finish seams, change colors, make cables, knit in the round, and more. After making the three easy projects included (a ribbed scarf, cabled hand mitts, and a toddler's slouchy beanie), you'll know why yarn lovers everywhere are saying the Knook makes knitting fun!

About the AuthorOne of the most trusted names in instructional publishing, Leisure Arts is a leading publisher worldwide of lifestyle how-to books, DVDs, and on-line content (www.LeisureArts.com).
