**From Baker, Janette : Learn to Tat (Book DVD)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Learn to Tat (Book DVD):

82 of 83 people found the following review helpful. Absolutely love it!By CustomerIf you want to learn to tat, I recommend buying this book and DVD. I had only minimal knowledge about tatting, and this book/dvd enabled me to catch on very quickly. I think the DVD makes all the difference - seeing the actual tatting performed step by step and being shown what to do with your hands and the thread is what helped me to finally get things right. The book has some great patterns for all levels. I highly recommend this book/DVD.4 of 4 people found the following review helpful. May be good instructions but get your patterns someplace elseBy Geri TortosaI am a beginner and the book lost me in some areas. Some of the instructions were incomplete. Snd the Daffofil Doily pattern had errors too. Round 1 says there are total 7 rings.... What do I do after ring 7? I only have 6 chains... What do I do next. After ring 7 it jumps to round 2. It doesnt tell you how to end each round. Cut and tie? Split chain? May be good instructions but get your patterns someplace else.4 of 4 people found the following review helpful. AMAZING DVD and book!By Gail

THands down! The best instructions that I have encountered yet (and I own 6 tatting books and watched many videos). The DVD and book instructions both start from how to wind the bobbin. Great for a true beginner. I didn't know anything about tatting. I don't know anyone who knows how to tat. I've never actually seen anyone tat before (except for some other not so helpful videos). Yet, in two days I am now making Double Stitches, Rings, Decorative Picots, "Functional" (attaching) Picots and Chains AND reading patterns! I couldn't be happier with this DVD and book.

Learn the beautiful art of tatting with the step-by-step instructions and interactive DVD presented in this book from American School of Needlework. 48 pages

About the Author Connie Ellison is the editor for DRG's crochet hardcover books and pattern books. She has worked for DRG for over 15 years and lives in Big Sandy, Texas.
