D. Dixon : Leather and Lace No. 7: Diamond Queen before purchasing it in order to gage whether or not it would be worth my time, and all praised Leather and Lace No. 7: Diamond Queen:

0 of 0 people found the following review helpful. Diamond QueenBy Anna M. LigtenbergISBN 0821711385 - I really like Wild West stories, so I was all pumped to like this book. Sadly, I wasn't just disappointed, I was horrified!Alice is almost 16 and good friends with Hyacinth, a woman who runs a saloon and a few "soiled ladies". Hyacinth intends to throw her a birthday party but has to leave town so one of her girls, Charm, offers to do it. She dresses Alice up like one of the girls and gives her the nickname of Candy. Charm gets her drunk and lets Todd Ames, a gambler, have his way with her when Alice passes out. Alice decides that she and Todd are in love and pursues him through the rest of the book. Along the way, she is kidnapped and raped by Hyacinth's "boyfriend" and later drugged and raped by another man, and possibly a group of men - she's too drugged to know for certain.Some of Alice's adventures would make good story, but even Kansas Sam can't make up for the number of times this girl is raped. And nothing in the story makes it reasonable that, having been taken advantage of while in a drunken stupor, Alice should fall head over heels in love with her first rapist. But that's the story. For pure sex, it's your cup of tea. For a quick, mindless read, maybe. If you're into romance, it's not here. It's just a bad book, and wildly offensive that it's sold as an "historical romance" because it's much more like Penthouse circa 1880.- AnnaLovesBooks

Alice is almost 16 and good friends with Hyacinth, a woman who runs a saloon and a few "soiled ladies". Hyacinth intends to throw her a birthday party but has to leave town so one of her girls, Charm, offers to do it. She dresses Alice

up like one of the girls and gives her the nickname of Candy. Charm gets her drunk and lets Todd Ames, a gambler, have his way with her when Alice passes out. Alice decides that she and Todd are in love and pursues him through the rest of the book. Along the way, she is kidnapped and raped by Hyacinth's "boyfriend" and later drugged and raped by another man, and possibly a group of men - she's too drugged to know for certain.
