**Sally Cowan : Left Handed Stitchery** before purchasing it in order to gage whether or not it would be worth my time, and all praised Left Handed Stitchery:

0 of 0 people found the following review helpful. Four Stars By vonda feamster Very good. Helped a lot. 3 of 3 people found the following review helpful. A great book By Sheila Ary I bought this book for a granddaughter who is very left handed, and fascinated by embroidery and fashion sewing. She is very happy with it, as I expected. I would definitely recommend it for other left handers who may be struggling with instructions for right handed stitchers. 1 of 1 people

found the following review helpful. Left hand sewingBy dolGreat book for beginners, instructions are very clear

For the 15% of the population who usually are left out of stitching instruction manuals, this book is a wish-come-true. Sally Cowan, a left-handed professional dressmaker, writes sympathetically for left-handed sewers. Forty varieties of straight, back, caught, blanket, buttonhole, chain, knotted, cross, couching, satin and laid filling stitches all are illustrated by 96 clear drawings of progressive steps.
