**Elizabeth Lynn Casey : Let It Sew (Southern Sewing Circle Mysteries)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Let It Sew (Southern Sewing Circle Mysteries):

1 of 1 people found the following review helpful. Familiar Friends Find Murder at the Holidays By J L Rigod Toni Sinclair is busy at the Library getting ready for Holiday Book Extravaganza, when a force of nature, resembling Leona

Elkin, takes over and signs her up for the annual Sweet Briar Christmas Decorating Committee. The reason? A new Christmas Grinch has appeared and it is up to the Southern Sewing Circle (a group of ladies aging from early 20's to 80's,) to get life back to tradition. Now this sounds like a delightful cozy book to read while sipping tea, but, I suggest you put your cup down when suddenly, a body is found through a clue found in a painting left from a recently deceased member of the sewing circle...was it murder? This series is as comfortable as a cozy sweater. You find you snuggle down into the tale and the characters are old friends. Sometimes it is quite sentimental which I loved as it was a tale woven around the holidays. Yet, there was a distinct bite with the Grinch. The ladies aren't always so sweet. I totally enjoyed this cozy murder mystery and look forward to future tales. 1 of 1 people found the following review helpful. Let it Sew By Johnny O We enjoyed reading the book. As is our usual method of consuming these novels, my wife reads it, aloud, as we were traveling. This way, I get to get in on the plot, and it gives us something to discuss along the way. We found the cast of those who could have 'done it' interesting. There were a number of characters who have motivation to have committed the murder. It's fun to discuss the plot, what we like and dislike and who would be our choice of the guilty party. We have read all of the novels in this series, and this one did not disappoint. I must say the person who was finally uncovered was a surprise. Ms. Casey, if you read this review, YOU ARE THE AUTHORESS!! A note of the Cozy Mysteries that we choose to read. We enjoy the 'Cozy Mysteries' because the language is appropriate, there are NO SEXUAL SITUATIONS to be tolerated or to chuck the book, which we have done because what we thought were in the 'Cozy Mystery classification were NOT. These, if Nook or Kindle, get deleted from our devices, and if we purchase them in paper back, well they get the 'HARD recycle'. , thanks for offering this type of reading, they are appreciated. 1 of 1 people found the following review helpful. Getting better and better By Betty L. Detwiler Let it Sew took me a mere 3 hours to read as the plot kept me paging through the book. Once again Tori shows the proper balance between work, love and solving crimes that somehow come her way. While serving on the town's Christmas decorating committee, she gets involved in the events surrounding the death of one of the Sewing Circle founders, Charlotte Devereaux, a woman whose last days were spent sketching and resketching the study in her home. As Tori looks at these sketches more closely she discovers some stunning information. I look forward to these books that are real keepers. Tori has become a well-loved member of the community over this series. I would hope that the next book would include Tori's marriage to Milo as I think their romance is really sweet.

Down south, the holidays mean family and for Yankee librarian Tori Sinclair, family means the Sweet Briar Ladies Society sewing circle. It may not be a white Christmas, but its one she'll never forget no matter how hard she tries. Instead of spending a nice, relaxing Christmas with her fianc, Tori Sinclair has been drafted into Sweet Briars holiday Decorating Committee. And the season has brought sad tidings as well: Charlotte Devereaux, a sewing circle founding member who unraveled after her storybook marriage fell apart, has passed away. Charlottes last days were foggy, distressed, and feverish except for the sketches she produced. One detail in particular jumps out at Tori and leads to a shocking revelation: Charlottes husband didnt leave her he was murdered! And as she gets closer to the truth, Tori will discover that just about everyone in town has got notches on the naughty list this year.

Visiting with the charmingly eccentric folks of Sweet Briar is like taking a trip back home.--Fresh Fiction I always enjoy visiting Tori and her friends in Sweet Briar. They are their own band of sisters who squabble and pick at each other yet will drop most anything to lend a hand.--Once Upon a Romance "Elizabeth Casey has a knack for threading together great storylines, likeable characters, and surprises in every page. The women in the Southern Sewing Circle are friends we all wish we had.--The Romance Readers Connection About the Author Elizabeth Lynn Casey is the author of the bestselling Southern Sewing Circle Mysteries, including Wedding Duress, Taken In, Remnants of Murder, and Let It Sew.
