Beautiful Religious Cross Stich BookBy Gaby AlvaradoI find it is a bit difficult to obtain readily published cross stitch works with religious or faith-related content. While this book has projects that do a beautiful job of linking Bible scriptures to images, several of them could be used for projects without the Bible texts; such as Lady Liberty, a beautiful Abundant Thanksgiving adaptation of a table full of fruits, 3 gorgeous Children of God designs (with small old-fashioned girls,) a bride, or a Guardian Angel looking over a boy

and a girl. There are also some literal adaptations of Jesus such as Jesus at Gethsemane, Come Little Children and The 23rd. Psalm. Several projects revolve specifically around scriptures and include a beautifully laid out Lord's Prayer (topped by praying hands,) St. Francis of Assisi's Canticle of Brother Sun (with the sun and the moon above,) a playful Noah's Ark for a child's bedroom, several Herb Garden projects (including a book mark, a bread hoder, and a towel,) a sweet sampler with flowers and pink lettering, several flower and garden themed projects, and Amazing Grace with a rose vine entwined around it. It is a book that is very thoughtfully put together and is worth having in your cross stitch library.0 of 0 people found the following review helpful. Many hard-to-find Christ-centered chartsBy SwimminNurseBeautiful!! The cover DOES NOT do this book justice!! Within the covers there are large and small designs to stitch.... Including many classic scriptures, short and long. There are charts for an angel with little children, as well as a beautiful picture of Christ with the children, Jesus in Gethsemane, The Lord's prayer, a lovely bride, a couple of bookmarks with short scripture quotes, and many more ideas.1 of 1 people found the following review helpful. Creations to make your own.... Power of FaithBy Dory's ChatterDeep thought went into this book. The expressions of faith prayer are very strong. This stitchery book takes you to the highest places of faith and brings satisfaction. You would be proud to create any of the extraordinary choices, especially,the final two. Don't miss out on this one!The reference to Christmas is on the back cover and it appears to be announcing that edition coming in the future.

This book by Leisure Arts Publication features Christmas and Christian cross-stitch.
