From Silver Dolphin en Espanol : Libro de actividades con plantillas: Disney Princesa: Disney Princess Stencil (Disney Princesa (Silver Dolphin)) (Spanish Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Libro de actividades con plantillas: Disney Princesa: Disney Princess Stencil (Disney Princesa (Silver Dolphin)) (Spanish Edition):

Disneys princesses have always been among the company's most charming characters. With this book, children can follow the easy instructions and use one of the ten templates and colored pencils provided to make their own versions of Belle from Beauty and the Beast, Cinderella, Sleeping Beauty's Aurora, Ariel, and four others.
