Created by best selling illustrator and modern artist Beth Ingrias, Adult Coloring Books: Lighthouses gives you the opportunity to color in 20 incredible lighthouse designs using your favorite coloring tools. These incredible lighthouses are just waiting for you to color. This adult coloring book features 20 unique designs found nowhere else. Each intricate design is printed on the front of the pages only so you don't have to worry about your work of art bleeding through and ruining the patterns on the next page. As an added bonus both the front and back covers are

printed with a matte finish. This means you can color them as well! Unleash your inner artist, relax, unwind and have fun coloring each intricate pattern. I have always enjoyed the beach! Creating these stunning lighthouses was a great experience. I know you will enjoy coloring each detailed scene. Beth Ingrias.
