Jan Bones : Lingerie Secrets before purchasing it in order to gage whether or not it would be worth my time, and all praised Lingerie Secrets:

0 of 0 people found the following review helpful. A must have for sewing lingerie.By jlb11950I was thrilled to find her lingerie patterns on line because I'm between bra sizes where as one size is too small, but the next size up is too big. What I like about this book is the thoroughness she describes measuring and making the needed adjustments. She describes the various types of fabrics and laces used in bra making.My suggestion to the author is to update her book with directions for making sports bras.0 of 0 people found the following review helpful. Five StarsBy William E EdginIt's the small things you find in books like these that make life easier...0 of 0 people found the following review helpful. Five StarsBy Skatekatiegood book good service

This book reveals the secrets for creating great-looking lingerie with a perfect fit. With more than 200 photographs and 60+ illustrations along with simple instructions, home sewers of all levels will breeze through the steps of pattern and fabric selection, drafting and altering patterns, working with speciality fabrics and notions, and creating a unique, personal fit, for special garments. Includes patterns for basic garments, tips and techniques for sewing with both knit and woven fabrics, and simple alterations for making speciality items out of basics.
