6 of 6 people found the following review helpful. Ok - a little difficultBy DandelionI bought this book to find hats to make for charity and so far I have found only ones that are overly complicated. I wanted something far easier.If you have a lot of time and are up to a bit of a challenge - try the book, otherwise skip it.1 of 1 people found the following review helpful. I'm going to make most of them.By LexarThere was a good variety of styles. I like that all in one book. It had some helpful hints I can use since I am a beginner.0 of 0 people found the following review helpful. More knitting than crochetBy CustomerIt figured that my favorite hats are knitted.

From America's oldest yarn company comes two new practical, portable titles packed with classic and contemporary patterns for 35 hats and 42 scarves for knitting and crocheting hobbyists. Full-color photos. Line drawings.
