George J. Horan, Vincent Rosa : Lionel Ho, 1957-1966 (Greenberg's Guide to Lionel Ho Trains) before purchasing it in order to gage whether or not it would be worth my time, and all praised Lionel Ho, 1957-1966 (Greenberg's Guide to Lionel Ho Trains):

1 of 1 people found the following review helpful. Great InformationBy Carmelo MontesI just love these Greenberg books! I'm not much of a HO train person, but I received a large box of HO's, and needed information so I could clean them up and sell them, I did not care if the prices were not current in the (Greenberg's Guide to Lionel Ho Trains) Lionel Ho, 1957-1966 by George J. Horan. I was looking for that, I just wanted to be sure that the engines and rolling stock I am going to sell is correct. I bought two other Greenberg HO books: Greenberg's Guide to Lionel Ho Trains Greenberg's Guide to Lionel Ho Trains by Vincent Rosa, and (Greenberg's Guide to Lionel Ho Trains) Vol. 2: 1974-1977 by George J. Horan also great information.

Volume 1 in this two-volume series covers Lionel's belated entry into HO scale in 1957. Includes all new color photos, collector values and full details of production from 1957-1966. Discover how to identify items made by the three different manufacturers that Lionel used, how to avoid fakes and forgeries and spot rarities, and explore the full range of Lionel's HO operating cars and accessories. Includes sheets from the Lionel Service Manual and an index of items produced by Lionel and its HO subcontractors. 144 pages.
