As a book lover, I can safely say that this would be a great gift for anyone who loves to read. I was delighted to see some of the authors included in this set, but I won't spoil the surprise for whoever might read this review. This is probably not a set that I would consider cutting out, and definitely not one I would buy for a child. If you intend to cut these dolls out, I will warn you, the dolls and the clothes are all printed on the same paper, which is fairly lightweight (I would compare it to the weight of a magazine cover). The dolls clothes are a mix of some of their characters' clothes and clothes appropriate for hobbies the authors were known to have.1 of 1 people found the following review helpful. Great Paper DollsBy C. L. KingsleyOriginally I bought this for a friend's birthday. Then I decided I wanted one for myself. It's very enjoyable eye candy but I can't bring myself to cut out the costumes. Wish they were peel and stick!

Imagine Sir Arthur Conan Doyle dressed up as Sherlock Holmes, Agatha Christie playing Miss Marple, and Charles Dickens himself as Marley's ghost! This unique collection features 35 paper dolls of famous authors, each with costumes depicting characters from their best-known works plus a few surprises.
