Elena Arlett : Little bird: Coloring book volume 1 before purchasing it in order to gage whether or not it would be worth my time, and all praised Little bird: Coloring book volume 1:

Join Little bird and his friends on their journey! These cute birds will take you to beautiful places that are waiting to come to life with your colors. This coloring book contains 32 drawings of cities, buildings and street views, but also fantastical flowers and plants. The pages are only printed on one side in order to avoid bleeding. Each and every single one of these pictures has been drawn with love and devotion and is waiting for the magical touch of your coloring. Have fun and enjoy! With warm regards, Elena Arlett
