Helen Dafter : Little Book of Silk Ribbon Flowers (Little Book Craft) before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Book of Silk Ribbon Flowers (Little Book Craft):

2 of 4 people found the following review helpful. Not BadBy A CustomerVery small book with lots of color pictures. Presentations aren't very pretty. It does have quite a lot of flowers and in different colors they would be very pretty. Not bad.

21 flowers are reproduced using the simplest and quickest stitches and employing ribbons which faithfully reproduce their true colours. There are a variety of applications for the embroidery.
