**Georgeanne Brennan, Mimi Luebbemann : Little Herb Gardens: Simple Secrets for Glorious Gardens - Indoors and Out (A Garden Style Book)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Little Herb Gardens: Simple Secrets for Glorious Gardens - Indoors and Out (A Garden Style Book):

5 of 5 people found the following review helpful. A good start!By T. SteffesThis was the second herb book that I've read. The photograpy is amazing and the insructions they give are clear.The book is beautiful, but it shouldn't be the first one you read. It does not have very detailed instructions on growing, drying, etc.That being said, it's not a waste of time or money, and I would reccomend this to anyone interested in herbs.I give this a B-.96 of 99 people found the following review helpful. Concise and BeautifulBy Conscious ReaderThis book has it all--eye-pleasing photography and concise, useful information. The heart of the book is an herb-by-herb description of how to grow the plants. It's organized in a unique way according to where you could keep them--windowsill or fire escape, inside porch, outdoor pots, pantry, etc. There are suggestions for special ornamental techniques (such as topiary) and recipes for culinary herbs. Finally, the book lists seed and plant sources in the U.S. All in all, a real pleasure to read.0 of 0 people found the following review helpful. Just OKBy mamatraubOk

The age-old art of cultivating home-grown herbs comes alive in Little Herb Gardens, with all the information needed

to grow productive herb gardens year round in even the smallest spaces. Delectable recipes for such treats as herb-infused oils and vinegars, herb-scented biscotti, and herb-flavored sorbets, as well as a resource directory, a bibliography, and an index, complete this uniquely stylish volume.

**About the Author** Georgeanne Brennan is a James Beard Award-winning author of numerous cooking and garden books. She lives in Northern California and France. Mimi Luebbermann -- whose other books include several in Chronicle Books' Garden Style series, including Cactus and Succulents, Heirloom Gardens, Easy Orchids, Terrific Tomatoes, and Salad Gardens. -- lives in Northern California. Faith Echtermeyer is a Napa valley-based photographer whose work has been featured in Chronicle Books' Little Herb Gardens.
