About the Author Kathy Norris says her passion for fiber arts began more than 30 years ago when she first started

knitting with needles. In recent years, she taught herself to use a knitting wheel (loom) while teaching at an arts and craft store. Her first loom knit designs were created to use in her classes to teach others how to use the loom. Now her designs can be found in various publications. In addition to knitting, she is a bead and crochet artist. Look for Kathy's books on [LeisureArts.com](http://LeisureArts.com).
