**Isela Phelps : Loom Knitting Primer (Second Edition): A Beginner's Guide to Knitting on a Loom with Over 35 Fun Projects (No-Needle Knits)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Loom Knitting Primer (Second Edition): A Beginner's Guide to Knitting on a Loom with Over 35 Fun Projects (No-Needle Knits):

15 of 15 people found the following review helpful. THE best book for learning to Loom KnitBy D. CumberlandThis is the very best book for learning to loom knit. A class, or at least some YouTube videos are also super-helpful, but if you want to learn how to Loom Knit and you can only get ONE book, get this one. Isela Phelps is also absolutely terrific and I have expanded my stitch repertoire thanks to her videos.9 of 9 people found the following review helpful. Four StarsBy Beverlyanother good book, had beginners items, great for me and it was picture friendly another good

ideal.8 of 8 people found the following review helpful. Love bookBy CustomerLove the easy direction with the diagrams. My mom loves the cause now she can do other things besides just hats and scarfs!

The "must-have" book for loom knitters by the top expert on the subject is now updated to reflect the newer looms on the market. Like the previous edition this new edition still contains everything you need to know about loom knitting, like gauge, yarn thickness, increasing, decreasing, color work, different cast on and off methods, and more. Additionally, it includes Isela Phelps's precise and easy how-to instructions, now newly updated, for making basic stitches and variations, and for using all the different types of looms, round and long looms, currently in the market. The project section is also updated to include more specific information about the looms used, with a handy chart of all the looms, with their gauges, currently on the market. But what hasn't changed is the straightforward information and the need for this book, making it the one to have for all loom knitters. If you only purchase one loom knitting book, this is the one to get!

About the AuthorISELA PHELPS is the author the popular No-Needle Knits series, including Loom Knitting for Babies Toddlers; Loom Knitting Scarves, Hats, Bags and More; Loom Knitting Socks; and Loom Knitting Afghans. She is an active member of the online knitting community. Isela is also the editor and publisher of Loom Knitters Circle, an online magazine for loomers. She lives with her husband and children in Cache Valley, Utah.
