This went right in the giveaway to my church's tag sale bin.1 of 2 people found the following review helpful. INCREDIBLY WONDERFUL!By Carrie BethNever having seen a soap opera, I was not expecting much from this cookbook -- but I absolutely love it. It is comprised of clearly detailed recipes PLUS the celebrity contributor's comments as to why it is so special, and when he or she likes to serve it. So it is like a marvelous, top-of-the-line community cookbook featuring celebrities. It also has photos of most (if not all) stars, etc. VERY WELL DONE, and incredibly wonderful for anyone who likes to cook. (Those who enjoy soap operas will obviously be even happier with it than I am, and I adore it.)

Combining photographs, biographies, and personal stories, a collection of favorite recipes by soap opera stars includes such items as Tommy Michael's Tomato Tuna Melt and Shelley Taylor Morgan's Stroganoff for Lovers.
