Kerri Horsley : Lovely Little Patchwork: 18 Projects to Sew Through the Seasons before purchasing it in order to gage whether or not it would be worth my time, and all praised Lovely Little Patchwork: 18 Projects to Sew Through the Seasons:

12 of 12 people found the following review helpful. Cute but not a lot of new ideasBy Trixie5585Cute book, not really anything absolutely new with the exception of the cute deer quilt square. I am sorry to say I won't be making but two projects out of this book. I agree with another reviewer that it does not list the finished size of any of the finished projects. If I had a chance to see the book and known that prior, I would not have purchased it.0 of 0 people found the following review helpful. Beautiful book and affordable.By KatieI saw this book in the store today and I loved it. Even if I don't make anything from it, it's colorful and I love the projects within. I ordered it today from , and for the price it is an affordable book. So what if I only make one or two things from it, have you checked out the prices of quilt patterns at quilt shops? I have and they average \$9-\$10 minimum. I think that makes this book at \$12 a good buy!Just looking at this book, brightens my day!0 of 0 people found the following review helpful. Not what I expected.By Janet SmithCute book but not as I expected so I may just make one thing from it and gift it.

A season gives the perfect reason to sew a lovely patchwork project for you or your loved ones that will be cherished year after year! In Lovely Little Patchwork you will find 18 projects to sew while giving your creativity a chance to

blossom through the new beginning of each season. You can stitch a lovely pencil pouch while your children are about to embrace an upcoming school year. Or while the snowflakes are falling from the sky; embroider a sweet vintage inspired ice skating girl. Then, as the flowers are blooming and the fresh smell of spring is in the air, you can learn a new technique of hand sewing yo-yos and then create a pretty garden apron. When the warmer weather arrives and the sound of waves are upon you; stitch up a patchwork sailboat. Even if your seasons are slightly different, I'm sure you will find great inspiration from one of the many pretty patchwork projects to sew any time of the year!

About the Author Kerri Horsley was born in Tehran, Iran and raised in Seattle, Washington. She has six children and a loving husband. Kerri has contributed to several sewing books and magazines.
