6 of 6 people found the following review helpful. Great book. By Marnie This book Machine Embroidery Crash Course is a beginners perfect guide for learning machine embroidery. This book will help you to learn 20 basic stitches of machine embroidery with detail instructions using pictures that will help you easily understand the whole method of doing them. Reading this book will give you an idea of how to create magic in machine embroidery using beads, laces, ribbons, net and different threads on different fabrics. Great book! 2 of 2 people found the following review helpful. Very happy with the information. By Customer This book answered all my questions. Very happy with the information. I am new to machine embroidery. 1 of 1 people found the following review helpful. Not happy, not at all what the title of the book leads you to believe. By Joanne Schaal Item arrived in good condition, fast delivery but this item was NOT at all what it proposes to be. This is ome kind of embroidery done a VERY long time ago also done on a very old machine. I was not happy.
