4 of 4 people found the following review helpful. Very nice embroidery bookBy Janet M. WeberLovely embroidery designs for machines. The double wedding ring floral is especially nice and well digitized. I highly recommend this book for novices and experts0 of 0 people found the following review helpful. Great information and patternsBy Peggy WhiteheadThe book may be outdated but has some of the best information on machine embroidery do's and don'ts.2 of 2 people found the following review helpful. Great designs and projectsBy Love to quiltThis book has

some very useful and beautiful embroidery design patterns on a DVD in the back. Unlike many other books, I think I'll be trying ALL of the projects! The instructions are clearly written, and easy to understand.

Every quilter with an embroidery machine needs this book! 6 classic projects.
