**Florence Temko : Made With Paper** before purchasing it in order to gage whether or not it would be worth my time, and all praised Made With Paper:

1 of 1 people found the following review helpful. Great book for crafty peopleBy Marsha S. HinnenI love this book! The illustrations are beautiful and most of the projects are very clever - they do things with paper that I'd never imagined. My only criticism is that the directions are sometimes confusing to me, hence I give it four stars instead of five. But this book is definitely worth having. In fact, after using the book for years here in my school library, I'm going to buy a copy to take home.

The pages are in very good condition; dust cover slightly worn;
