Five Stars By Angelsmatter Another good informative and illustrated book to add to my growing library. 0 of 0 people found the following review helpful. Five Stars By Customer Great product! 1 of 1 people found the following review helpful. The "how-tos" were easy to follow By Laurell I bought this book after learning about metal clay jewelry making. The book is very informative for a beginner such as myself. The "how-tos" were easy to follow, and effective.

Improvements in inexpensive firing processes make this a more affordable craft. Today's revolution in jewelry making is quite simple, literally. With few tools and basic silversmithing skills you can quickly and easily create intricate pieces of pure silver jewelry following the easy-to-follow instructions in *Magical Metal Clay Jewelry*. More than 250 step-by-step color photos demonstrate techniques needed to mold, fold, shape, cut, braid, and carve metal clay to create more than 20 original pieces of beautiful jewelry. With this book there's no need for hammering, sawing, or even a need to work with a kiln. Simplify, and the results will astound you.
