Cirilia Rose : Magpies, Homebodies, and Nomads: A Modern Knitters Guide to Discovering and Exploring Style before purchasing it in order to gage whether or not it would be worth my time, and all praised Magpies, Homebodies, and Nomads: A Modern Knitters Guide to Discovering and Exploring Style:

11 of 12 people found the following review helpful. Lovely Patterns Beautifully PresentedBy Pen NameI bought this book without knowing much about it ahead of time. Most knitting publications have had some advance advertising on knitting podcasts but I was early to the game on this one. Lots of good patterns and beautiful photography. I would knit almost everything in here.16 of 18 people found the following review helpful. Found a design on Ravelry, got the book, was NOT disappointed. 10/10 would buy again.By YeahthatpaulaI'm gonna be honest, I bought this book only for the pattern for the Loro vest. I'm so glad I did though, there are so many other designs that look amazing. I have been knitting just under 2 years, still consider myself not that great, and I've only bought a few books. Usually, I buy a

book, then find only one or two patterns in the book that I would ever want to knit, which is a disappointment. I'm currently knitting the Loro vest, but I will definitely knit some other patterns from this book. Cirilia has great style!

By Shannon Allen
I want to knit one of every single thing in this book! Just get it. You won't regret it!

Cirilia Rose is the epitome of the new knitwear designeryoung, educated, curious, and excited to share her passion for all ideas knit and purl. Her attitude toward curating her own collection of designs is informed as much by travel, cultural history, and tried-and-true sourcebooks as it is by modern media and technology. In *Magpies*, *Homebodies*, and *Nomads*, Rose takes readers behind the scenes of her design process, showing them how she curates and organizes ideas and translates them into knitwear designs. Through 25 projects that fall into three categories—*Magpies* (accessories for the small amounts of precious yarns that knitters inevitably collect), *Homebodies* (garments for time spent close to home), and *Nomads* (garments to wear when venturing out into the world)—Rose shares her modern aesthetic and invites readers to develop their own.

So not only do we have twenty-five patterns—many of them timeless and some of them quirky—we also have a lot of attentive commentary on color selection, styling tips, and useful info on substituting yarns. This is one new book that I would highly recommend. Not only for the patterns, but especially for the spirit of the book and the thoughtful way Cirilia Rose approaches her knitting and explains her process.
