AuthorBy DelAnneTitle: Make In A Day Modern Wreaths - 15 Easy and Fun ProjectsAuthor : Victoria HudginsPublisher: Dover PublicationsPublished: 6-21-2017Pages: 81Genre: Arts and CraftsSub-Genre: Homemade; Home Interiors; GiftsISBN: 9780486810850ASIN: B071FB16W7Reviewed For: NetGalley and Dover PublicationsReviewer: DelAnneRating: 4.25 StarsColorful and with a change of material design a more modern design or a more classical Homey style can be achieved. Although there are only 15 designs, with just a few alterations or in accessories used can bring the crafter numerous designs. Should the crafter be looking for a new idea then there should be something to inspire you. All the while using simple, easy to find items. My rating is 4.75 out of 5 stars.1 of 1

Birthday, sure use balloons, plants, paper cut into shapes, sure. There are some cute ideas in this book. Mostly, it's a base for ideas and a way to think outside the box of just using silk flowers or burlap and rolls of colored burlap. My daughter made the balloon wreath and we didn't even use a real wreath base but a cardboard circle. Great ideas to get your creative juices flowing. 0 of 0 people found the following review helpful. I thoroughly enjoyed this book. By ArecRainAs someone who has never made a wreath before but really wanted to try, I thoroughly enjoyed this book! There were a lot of interesting ideas that I couldn't have thought of otherwise, unconventional items if you will such as balloons and cupcake wrappers. Not only are these wreaths cute and creative, but simple and fun to make as well. My 8 year old niece could easily make these, and, since they are so quick and easy, be able to complete it in one sitting. Not to mention they won't cost you an arm and leg to make!

Contemporary rather than traditional, these easy-to-make wreaths look great in any setting or season and you can make them in a day. An array of materials, including paper, plants, and fabric, offer a pleasing variety of colors and textures. You'll find it a snap to create these simple, yet striking ornaments because there's no previous crafting experience required. Each book in Dover's Make in a Day series presents 15 projects with illustrated step-by-step instructions. The beginner-friendly projects are ideal for anyone wishing to whip up something simple but special. Creating your own wreaths adds a personal touch and a dash of handmade charm. Supplies are easy to obtain and readily available at major craft stores. Other titles in the series include Make in a Day: PomomCrafts and Make in a Day: Paper Flowers.
