Michael Grater : Make It in Paper (Other Paper Crafts) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Make It in Paper (Other Paper Crafts):

Delightful introduction to paper sculpture, the art of raising flat paper into shapes. Step-by-step illustrated instructions and exercises teach basic techniques needed to make masks, hats, mobiles, hanging and table decorations, paper

animals, more. No elaborate tools or materials required. Ideal for teachers looking for arts-and-crafts projects. Over 125 drawings and illustrations. 23 photos.
