Salli Sue Swindell, Nate Padavick : Make Map Art: Creatively Illustrate Your World before purchasing it in order to gage whether or not it would be worth my time, and all praised Make Map Art: Creatively Illustrate Your World:

0 of 0 people found the following review helpful. ... maps and this book has a lot of very cool ideas and tools to make your ownBy mike rMy 11 year old son is obsessed with maps and this book has a lot of very cool ideas and tools to make your own.0 of 0 people found the following review helpful. Five StarsBy Julie J. SmithIt was in wonderful condition! Thank you.7 of 8 people found the following review helpful. Doodler's ParadiseBy Lisa GravesThis is such an amazing book kit- chock full of fun for kids and grown-ups. It really encourages creativity- a great project for the family. I'll be buying more for gifts.

This creative tool kit includes everything map lovers need to create custom frame-worthy map art. The instructional booklet includes projects ranging from personalized party invitations to a road map to happiness, all easily crafted

from the fill-in map templates, legends, and icons included. The bonus is a poster-size world map for charting global destinations.

About the Author Nate Padavick and Salli Swindell are a brother and sister design and illustration team known as Studio SSS. They are also the founders of They Draw Cook and They Draw Travel; the largest online collections of illustrated recipes and maps from artists around the world.
