Michael Simpson : Making Native American Pottery before purchasing it in order to gage whether or not it would be worth my time, and all praised Making Native American Pottery:

0 of 0 people found the following review helpful. Five StarsBy M. EatonExcellent book! Exactly as described and fast shipping.0 of 0 people found the following review helpful. Limited coverageBy The WatchmanI would have liked to see the pottery process discovered through archeology findings. Great coverage of the general process but it does not

address the goat used in pre-historic tribes.0 of 0 people found the following review helpful. Five StarsBy tony apicellaVery interesting book

Michael Simpson tells in easy-to-understand steps, according to traditional methods, how to make several types of Native American pots.
