Tudor doll houses By Customer An excellent reference book for Tudor doll houses from timbers designs to finish. 6 of 6 people found the following review helpful. Building miniatures By Joan C. Grasty I am currently building a miniature Tudor house and this book has been invaluable in all aspects of construction, from framework to floors to lighting and custom woodwork. Highly recommended! 3 of 3 people found the following review helpful. Making Tudor Dolls Houses By Ros from Oz A good book on making Tudor houses however I was a bit disappointed that it didn't include wattle daub walls or thatched roofs. I would recommend it though.

passion for the Tudor period, showing how to build the house and also construct all the interior fittings.
