Five StarsBy Susan Three Hawksgood0 of 0 people found the following review helpful. Five StarsBy Kristen PetullaGreat book, I garnered many ideas from it. Triple A+ book and experience!

In recent years, the ancient art of mosaic has become increasingly popular worldwide, showing up everywhere from the studios of fine artists to the pages of interior decorating magazines. Mosaics: Design and Inspiration is perfectly poised to capture that enthusiasm. The seventh book by internationally acclaimed mosaic artist and teacher Martin Cheek, it was written in direct response to inquiries and requests from both newly taught and long-established mosaic artists. It is simultaneously a how-to, full of expert advice about everything from initial design to the last details of a finished pieceand a sourcebook of inspiration, jammed with images, ideas, and concepts that aspiring mosaic artists can take and make their own. Many of the images of Cheeks own work represent the first time theyve been featured in

a book, and their intricate beauty is sure to fire the imaginations of artists, decorators, and art lovers.

About the Author Martin Cheek is a mosaic artist who is regularly commissioned to create works for both public and private clients and lectures extensively in the United States.
