Anders C. Dahlgren : Planning the Small Public Library Building(Kit) (Small Libraries Publications) before purchasing it in order to gage whether or not it would be worth my time, and all praised Planning the Small Public Library Building(Kit) (Small Libraries Publications):

0 of 0 people found the following review helpful. A bit outdated but still a valuable toolBy photornMy headline says it all. Clearly Mr. Dahlgren is an expert in this area and this book, though difficult to find is still recommended by the ALA and of value to any library contemplating expanding or building.
