**Fleur De Force : The Glam Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised The Glam Guide:

5 of 5 people found the following review helpful. and I love this book By H. Angelo I've been a fan of Fleur for years, and I love this book! It's a great coffee table book 1 of 1 people found the following review helpful. I like Fleur's youtube channel By Pia Shetty I like Fleur's youtube channel. But if you have been following her and watching her videos then you do not need this book at all. She reiterates everything from her channel and the book has no new content. It is luxurious to just have it in your collection just if you are a fan. I returned the book as the content was the same. 1 of 2 people found the following review helpful. Five Stars By Sandra Montaque-Harvey Great book.

Fleur De Force is a YouTube fashion and beauty sensation with more than one million followers. A two-time winner of the Cosmopolitan "Best Vlogger" Award, Fleur started a video blog in 2009 to share her passion for everything beauty and fashion. What started out as a hobby evolved into something much bigger, and she has since become

known as one of the most influential young personalities in the online fashion and lifestyle vlogging community.
