Arabella Boxer, Philippa Back : The Herb Book before purchasing it in order to gage whether or not it would be worth my time, and all praised The Herb Book:

2 of 2 people found the following review helpful. Just okBy NCGPretty book, nothing life altering. This took nearly three weeks to arrive from shipper, so my enthusiasm had faded by the time it was received. I was hoping for more detailed information on each herb, would love more identifying features to find in the wild0 of 0 people found the following review helpful. Love this bookBy Kathy BrodieI have had a copy of this book since the mid 80's. I refer to it often. This copy was purchased as a gift for close friend who looked at mine and loved it. I especially love the "beauty" section.3 of 3 people found the following review helpful. This is a useful and beautiful bookBy Paul BunyonI have had a copy of this book for many years. This Christmas I gave a copy to my granddaughter. She was well pleased with it.

The complete guide to herbs for health and cookery, with Everything from planning an herb garden to making potpourri. More than 200 color illustrations.
